

# Digital Media Production Studio

## Empower Student Voice Through Media Creation

The Digital Media Production Studio equips classrooms with tools for content creation, storytelling, podcasting, and video production. Perfect for ELA, journalism, or CTE programs that want to build digital fluency through hands-on experiences.

### What's Inside:

- **Podcast Ultimate Studio** – An all-in-one mobile video production suite
- **Media Production Studio Kit (Hamilton)** – All-in-one suite for audio, video, and lighting
- **Animation Software Kit** – Teach critical skills through stop-motion animation
- **Bluum Professional Learning (optional add-on)** – Ensures adoption success and teacher confidence

### Educational Value:

- Builds confidence in communication, creativity, and digital production
- Supports interdisciplinary work across ELA, STEM, and media arts
- Amplifies student voice in presentations, journalism, and video essays

### Why Buy Through AEPA?

- Simplifies purchasing—hardware, curriculum, and licenses in one contract
- Pre-bid pricing ensures cost efficiency
- State-approved = immediate deployment

### Ideal For:

- Middle and High School Media/ELA Programs
- CTE/AV Pathways
- After-School and Journalism Clubs

### Customization Available:

Yes – Add microphones, green screens, or editing tools
