

Full-Classroom VR Experience

Immersive Learning for Every Student

The Full-Classroom VR Experience bundle equips schools with scalable, high-impact immersive learning tools. With classroom sets and cloud-managed content, this bundle ensures all students gain access to transformative virtual learning aligned with core curriculum.

What's Inside:

- **ClassVR 64GB Version Kit (8 Headsets - Avantis Education)** – Fully managed headsets with curriculum-aligned lessons
- **ClassVR Annual License Subscription** – Access to 1000+ VR/AR lessons
- **Merge Cube + Classroom License (Merge Labs)** – Augmented reality experiences in science, math, and SEL
- **Bluum Professional Learning (optional add-on)** – Ensures adoption success and teacher confidence

Educational Value:

- Promotes experiential learning in science, history, SEL, and more
- Supports digital literacy, creativity, and spatial reasoning
- Fully manageable and safe for classroom use

Why Buy Through AEPA?

- Save time and money—no need for separate bids
- One contract, multiple vendors
- Compatible with multi-campus and district-scale rollouts

Ideal For:

- Grades 6–8 Classrooms
- STEM and Social Studies Teachers
- Instructional Technology Teams
