

MakerSpace in a Box

Hands-On Learning, Anywhere

This all-in-one MakerSpace bundle brings creativity, collaboration, and STEM exploration into any classroom. It's designed to support cross-curricular instruction and foster an inquiry-driven learning culture—no dedicated lab required.

What's Inside:

- **Makedo INVENT** – Screen-free, Standards-aligned education resources to develop STEAM, the 4Cs and 21st Century Skills
- **SAM Labs STEAM Course School Pro Bundle** – Coding, engineering, and design curriculum
- **3Doodler Create Learning Pack (12 Pens)** – Turn drawings into 3D creations
- **Modular Robotics Clever Construction Pack** – Hands on logic and sensor robotics
- **Bluum Professional Learning (optional add-on)** – Ensures adoption success and teacher confidence

Educational Value:

- Encourages collaboration, invention, and iteration
- Scalable for individual use, small groups, or stations
- Great for media centers, flex classrooms, or libraries

Why Buy Through AEPA?

- One contract, multiple categories = fewer hurdles
- No RFPs, faster delivery
- Cost-efficient way to launch or upgrade your makerspace

Ideal For:

- Grades 4–12 Classrooms
- Library and Media Centers
- STEM and Innovation Coaches

Customization Available:

Yes – Add storage, displays, or flexible seating
